Minutes of the Meeting

Road Safety Patrol Club

“True leadership is not about giving Orders; it is about setting an example. Following road safety rules protects not only you but everyone around you.”

The Road Safety Patrol Club stands as a collection of student ambassadors, with the power to shape a society full of responsible and mindful individuals.” Your one moment of vigilance can be someone else lifetime of gratitude”. This was perfectly sensed by Mr. Adeshar Mulla who initiated the concept of starting a road safety patrol in every school in order to help traffic police to regulate traffic in 1957. Our club actively empowers students to participate in promoting road safety and to become catalysts of change inside and outside the school premises.

Objectives of RSP:

1. To educate students about traffic rules and the importance of following them for safer society.
2. To develop leadership discipline and responsibility among patrol members through regular training and volunteering.

3. To assist in managing School traffic by ensuring smooth arrival and dispersal.
4. To contribute to a safer community to ensuring minimal accidents.
